

WALDIR BOLANOS

Graphic Designer / Web Developer / Video Editor

➤ BIOGRAPHY.....

Hi, I'm Wally. I'm a Graphic Designer, Web Developer and Video editor that can meet your needs. Ever since I was a boy I had an artistic passion to create, design, build and develop. What started as simple drawings and sketches turned into a life style and age 15 when got my first computer, I couldn't get enough. I have spent half of my life sharpening my computer skills and I can do or learn to do just about anything. I am artistic, creative, resourceful and passionate about technology.
